Lesson 19 Weather Quiz Answers

Now it's time for your weather **forecast**. Right now we have **mild** weather, with **clear** skies and a **light** wind from the east. It's **perfect** weather for a walk in the park. There will be some **scattered** showers overnight, but the rain should **let up** by tomorrow morning.

Saturday will be **partly** cloudy and **oppressively** hot. We might even see a **record** high temperature.

The **muggy** weather continues into Sunday, with **storm** clouds forming in the late afternoon. On

Monday we'll have some **wild** weather, with **torrential** rain and **high** winds.

We're seeing **heavy** clouds and a few snow **flurries** right now, but we have some **nasty** winter weather ahead, with **icy** winds and record **low** temperatures at night. Be careful if you go out in the **driving** snow, especially if you're on a road where the snow hasn't yet been **cleared**. The snow will probably **thaw** next week, as we're expecting some **unseasonably** warm weather.
